GLENDALE FIFTH IN BUILDING RECORD THROUGH STATE

This City In Seventh Place In Operations on Pacific Coast During August

Outstripping all cities three times its size, Glendale takes fifth place in California building operations and seventh place on the Pacific Coast which definitely and firmly establishes the destiny of this community.

While Los Angeles rates third in the nation, only the metropolitan municipalities such as San Francisco and Oakland can keep ahead of Glendale and Long Beach, the two brightest spots of America's white spot.

W. E. Palmer 'Mines' Sand, Pure Sand, for C. of C. Building

The first load of sand for use in the new Chamber of Commerce building was delivered yesterday by W. E. Palmer, who is under contract to supply the contractor with thirty cubic yards of the best sand obtainable.

Talk about connoisseurs of art, epicures of food and critics of art and literature!

Mr. Palmer takes as much pride in his line as any other specialist. Mr. Palmer's line is sand—the best white sand to be found anywhere. It comes from Roscoe, thirty feet under the ground and, on account of its purity, Mr. Palmer calls it "the cream of the San Fernando valley."

A lot on San Fernando road near the old winery has been purchased by Mr. Palmer for storage purposes and he expects to have sand on hand for immediate delivery before long.

"It is just as important to have good sand and gravel as to have good tools," declared Mr. Palmer.

Miss Vera Halloway, Soon to Wed, Guest at Luncheon Party

Mrs. M. P. Harrison of North Maryland avenue entertained with a luncheon party yesterday in honor of Miss Vera Halloway, who is soon to become a bride and will make her home in Arizona.

Guests present included Miss Halloway, Mrs. Linder of Hollywood, Mrs. Adams and daughter Mrs. Dressler of Los Angeles, Mrs. Ed Lee, Mrs. C. Hite of Long Beach, Miss Ellen Hanson, Mrs. W. E. Edmonds, Mrs. J. A. Newton, Mrs. M. P. Harrison and daughters Miss Inez Harrison and Mrs. H. M. Lennox, who also assisted in serving.

A color scheme of pink and white was carried out in the floral decorations. Place cards decorated with hand painted pink bells were used. The afternoon was spent in tying a computer, which was presented to Miss Halloway.

HARDWOOD FLOORING LOW

Hardwood flooring prices have dropped 50 per cent in a year's time, according to H. E. Wilson of the Glendale Hardwood Flooring company, who called at the Chamber of Commerce headquarters this morning. As a result there is four times the demand for hardwood floors in new homes and the public is putting much better material into construction work, he states. Mr. Wilson's concern does business all over southern California and in Arizona.

TOTAL OF 115 NEW MEMBERS FOR CHAMBER OF COMMERCE IN DRIVE

Plenty of Enthusiasm Displayed at Banquet Held by Committees; Eighty-five More by Friday

An oh-be-joyful banquet and get-together meeting of committee members now working in the Chamber of Commerce drive for membership was held last night at the White Inn with the dinner a distinct feature of the evening.

"We have received 115 new members during this drive already," remarked Assistant Secretary E. F. Sanders at the conclusion of the pie and cheese.

"But," went on Mr. Sanders, "we want eighty-five more members between now and next Friday night. I believe it is possible to get them if you will go out and use the splendid talking points which you have developed."

"I want to call your attention to the fact that C. C. Cooper, president of the Chamber of Commerce, has offered a prize of \$25 to the individual turning in the largest number of new members. This will be put into a year savings account at the First National Bank. It is not the money that counts, it is the honor and the credit. The person who wins this prize probably will do the Chamber of Commerce a thousand dollars' worth of benefit."

"I want to express my appreciation of the committee's work. I think that it has done very admirable work. The biggest thing that you

committee members have done in Glendale is the talking and stirring up the public interest, building up a community spirit and creating an interest in civic affairs. You have gotten the people talking about the Chamber of Commerce as they never did before. You would be surprised at the number of people who have walked into the office and asked to join the association lately."

Announcement of the big banquet at the Presbyterian church on Friday, September 29, which will mark the close of the present membership drive, was made by Secretary James M. Rhoades. He expressed general approval of the work done by the committees.

After the brief talks a new game was played with a pack of prospective membership cards and Mr. Sanders as dealer. The object of the game seemed to be to see who could obtain the largest number of names to work upon. "I'll take that one!" or "Give me that one!" or "I'll see that man; he owes me money; I'll get him!" were frequent expressions. For several of the cards there was a merry and good natured scramble.

A number of the names of new members received since the drive began was read last night by Mr. Sanders.

CITY MANAGER WILLIAM H. REEVES TALKS TO LEGION ON COMRADESHIP

Employment Problem Also Discussed at Meeting of Service Men; Other Speakers on Program

"The best attended and most enthusiastic gathering of the year," is the way in which Post Commander Emil Kiefer expressed himself regarding last night's regular meeting of the local post of the American Legion. Besides the unusually large attendance of Glendale members, a number of visiting legionnaires were present at the meeting, which consisted of several short talks by well known former service men in addition to the usual business.

The principal speaker of the evening was City Manager William H. Reeves, who is a member of the legion. Mr. Reeves' address was enthusiastically received by the former service men, his main topic being "Comradeship." He told of the numerous accomplishments that have been made by the organization throughout the past few years and also of the many things that are to be done in the future, laying particular stress upon the employment problem of the former soldiers, sailors and marines.

MAJOR GENERAL JOSEPH REIHMAN ORGANIZES WOODMEN DRILL TEAM

Official, Recently Arrived From Rock Island, Ill., Installs Department for Glendale's Camp

Glendale Camp No. 12886, Modern Woodmen of America, held a social meeting last night at their hall in the Central building. Several candidates were initiated with the degree team of Pasadena Camp No. 7242 putting on the initiatory work assisted by officers of the Boosters' Association of Southern California.

The camp was honored by the presence of Major General Joseph Reihman, who is in charge of the foresters' uniformed rank of the Modern Woodmen. He has recently arrived from Rock Island, Ill., headquarters of the society, and the general took great pleasure in organizing and installing a team of uniform rank in the Glendale camp.

In this honor the Glendale camp has the distinction of being the first camp in which a team has been organized and installed by the major general since his appointment to the office some years ago.

At the close of the business session a banquet was served by the Royal Neighbors, the women's auxiliary of the Modern Woodmen, and numerous speeches followed. Several new members for this recently organized order in Glendale also were suggested.

Following are the officers who took part in last night's program: Consul, Otto M. Clinton; past consul, J. W. Jones; adviser, J. A. Rockwell; banker, A. T. McBeth; clerk, Henry Molz; escort, Robert L. Heinsius; watchman, C. A. Bunting; sentry, W. B. Canaday; physicians, Drs. A. W. Teel and H. C. Smith; trustees, David C. Carney, George T. Paine and George F. Staub; chief forester, J. E. Paul.

IMPROVING G. A. R. HALL

The Women's Relief Corps committee, of which Mrs. S. Houdyshel is chairman, have been at work in directing improvements which have now been completed on the G. A. R. hall on South Glendale avenue.

A new roof has been put on over the dining room and kitchen and this has been painted, which has greatly added to the appearance of the building.

MR. AND MRS. BUTTS LEAVE

Mr. and Mrs. H. M. Butts of 123 Arden avenue left Glendale Thursday morning for a motor trip to San Jose where they will visit relatives. They will return the first of the week with Mrs. Mary Grayson, an aunt of Mrs. Butts.

ors and marines. He completed his talk by reciting the well known poem, "Let's Go," which was written by him and dedicated to the American fighters in France two years ago.

Ralph Goodman of 500 East Maule street and Arthur Trautwein were initiated into the post during the evening, the regular officers conducting the ritualistic work. Following the initiatory service an announcement was made that a joint meeting of the women's auxiliary to the American legion of Glendale be held in the near future for the purpose of inaugurating a week's membership drive in this city.

Rev. C. M. Calderwood, who is one of the Glendale post's newest members, made a brief talk, expressing the fact that the local organization is one of the liveliest in the country and also telling of the various accomplishments made by the legion. Short talks were also made by Councilman Dwight Stephenson, Vincent Salma, William Eckles, Lacey Hope, Robert C. Plume and others.

IMPROVING G. A. R. HALL

The Women's Relief Corps committee, of which Mrs. S. Houdyshel is chairman, have been at work in directing improvements which have now been completed on the G. A. R. hall on South Glendale avenue.

A new roof has been put on over the dining room and kitchen and this has been painted, which has greatly added to the appearance of the building.

MR. AND MRS. BUTTS LEAVE

Mr. and Mrs. H. M. Butts of 123 Arden avenue left Glendale Thursday morning for a motor trip to San Jose where they will visit relatives. They will return the first of the week with Mrs. Mary Grayson, an aunt of Mrs. Butts.

OWNERS OF GARAGE REPORT TO POLICE THEFT OF \$75

South Glendale Shop Entered and Money Taken; Police Determine on Action

Hall Brothers, who conduct the South Glendale Garage and Machine Shop at 1416 South San Fernando road, reported to the police this morning that someone had entered the locker room in the front of their establishment and taken \$75 in currency.

This is the largest of a series of petty crimes reported recently which are causing the police department no end of worry. Coming close on the heels of a round-up of an alleged booze ring which is charged by federal authorities with crimes ranging from highway robbery to impersonation of officers, the law and order of the community will treat severely any prisoner brought to local courts, officers say.

Department Determined

The police department is determined to stamp out crime at its inception and only this morning two lads were haled by an officer and severely reprimanded for jumping melon trucks. Within the last week houses have been entered, builders' tools stolen, and other offenses committed which will require the closer patrolling of the residential sections.

George Herda was added to the police force yesterday as a patrolman, Chief of Police J. P. Lampert, announces. Allen O. Martin will take charge as chief on October 1, and presently he is looking to organizing a force which will be sufficient to safeguard the city.

Must Obey Traffic Laws

Too many motor smashers recently make it evident that the traffic laws are not being obeyed and prosecution to the full extent will follow arrests by the speed officers.

Charles L. Smith of Los Angeles reported that his machine was struck by another driven by Reed Williams of 1221 Brand boulevard at Brand and Randolph street. The report states the latter cut a corner.

Mr. and Mrs. Bartlett Return From Journey Over Eastern States

Mr. and Mrs. Robert R. Bartlett have just returned from an all summer trip to the east. They left Glendale the first day of June in their Ford sedan, going east by the Santa Fe trail. Through New Mexico and southern Colorado they had to make many and devious detours because of washouts. It was necessary for them to go by Pueblo just after the great flood. The only bridge across the Arkansas river was a railroad bridge at Pueblo. In order to cross this bridge it was necessary for the autos to wait until the work train had finished its day's duties and then the autos lined up were permitted to cross.

Some 125 autos were waiting on their side of the bridge, and about 6 o'clock they set out for the somewhat perilous trip. It was after 8 o'clock and quite dark when the Bartletts crossed the bridge. It was necessary for the cars to drive onto the track some distance before reaching the bridge and then some distance down the track after crossing, making a total drive of about three miles bumping over the railroad ties in the night. But that was the only way to get into Pueblo. Mud was lying one and two feet deep over the streets and signs of desolation and ruin were to be seen on every hand.

Notwithstanding these delays, the Bartletts reached Des Moines, Iowa, a distance of twenty-four hundred miles, on the thirteenth day out. They visited friends and relatives in Des Moines, and then drove on to Parker, Ind., and to Xenia, Ohio, where they remained until the first of September, visiting relatives. The return trip was made by way of St. Louis and Kansas City and the Santa Fe trail.

Mr. and Mrs. Bartlett are visiting with Mrs. Bartlett's parents, Mr. and Mrs. H. V. Adams, at 436 West California avenue. They are delighted to be back in southern California, and more than ever pleased with this paradise. They saw no evidences of prosperity in the way of building and general improvements on the entire journey until they again came to this favored land. And Glendale had grown so that they could hardly find their way around the place.

TO VISIT SAN BERNARDINO

Secretary James M. Rhoades of the Glendale Chamber of Commerce, accompanied by Mrs. Rhoades, left this morning for San Bernardino where they will go with the commercial secretaries of southern California on a tour of the rim of the world.

Today's World News In Brief (By United Press to Glendale Evening News)

REPORTS GOVERNMENT EXPENSES CAN BE MET BY BILL

WASHINGTON, Sept. 24.—All ordinary governmental expenses for the past fiscal year can be met by the \$3,324,000,000 raised by the revised tax bill, according to the majority of the finance committee, submitted to the senate today by Chairman Penrose. The measure is not designed, the report states, "to create a current surplus and thus encourage unnecessary spending."

ALL FEDERAL JOBS WILL GO TO REPUBLICANS, CLAIM

WASHINGTON, Sept. 24.—The Harding administration made it clear today that all federal jobs traditionally viewed as political berths shall go to republicans. It was expected that the summary dismissal of T. C. Thoreson, democrat, serving in the federal land office at Salt Lake city, would be a warning to other hold-overs from the previous administration. Thoreson was asked to resign but refused and President Harding promptly ordered his dismissal.

ARMORED CARS ARE PATROLLING STREETS OF BELFAST

BELFAST, Sept. 24.—Corps of armored cars patrolled the streets of Belfast today after a wild night of rioting. Fighting which broke out shortly after midnight spread throughout all sections of the city. Gunmen hidden in doorways poured their fire into the streets. Rioting crowds surged along the main thoroughfares and order was not restored until the military swept through the streets with their Hotchkiss guns. The number of dead and wounded could not be determined.

HAS NEW PLAN FOR SETTLEMENT OF IRISH SITUATION

LONDON, Sept. 24.—Premier Lloyd George has evolved a new formula for settlement of the Sinn Fein problem which will be acceptable to both sides, it was learned here today. This new formula will not necessitate a compromise from the position of either side, it was said. It was believed Eamonn De Valera's desire for a conference would prompt him to accept this reported new proposal as it will not provide that he withdraw from his previous stand, in which he insisted the Irish delegates were representatives of a free nation.

DOCTOR IN ARBUCKLE CASE MAKES FIRST STATEMENT

SAN FRANCISCO, Sept. 24.—Dr. Arthur Beardslee was eliminated today as the unknown quantity in the trial of Roscoe (Fatty) Arbuckle for the alleged murder of Virginia Rappe. The district attorney's office gave out a statement saying that Dr. Beardslee had made affidavit to the effect that when he was called to attend Miss Rappe he was convinced that she was suffering from internal injuries and recommended that she be removed immediately to a hospital. Dr. Beardslee was the first physician called to see Miss Rappe after she was alleged to have been found in Arbuckle's hotel room during the comedian's famous Labor day "party." Beardslee returned to San Francisco Friday from a hunting trip in the Sierras.

Four Houses Being Moved to Make Way for Business Block

Housemoving is one of the outdoor sports in Glendale at present. To make room for a Glendale branch of the Ralph's Grocery company of Los Angeles, four houses are being moved from the northeast corner of Orange street and Broadway.

This property, which measures 106 by 187 feet, formerly belonged to J. A. Cole, local realtor. It is understood that the new store building will cover the entire area.

The home in which Arnold De Plante resided until recently today is being dragged to 311 North Central avenue. It will be occupied by Mr. and Mrs. J. Cole. The house in which they have been living is being moved to 810 South Central and will be sold. Two smaller houses have already been purchased: One by J. McGinnis, who will have it moved to 223 East Acacia avenue, and the other by Mrs. Jessie Bell Wunderlick, who will have it dragged to 1460 East California.

To make room for the passage of one of the houses along North Central avenue it has been necessary to cut some of the beautiful over-hanging pepper branches.

Mrs. H. W. Yarick Is Hostess Behalf Class

Members of the third year primary class of the Congregational Sunday school met after school yesterday at the home of Mrs. H. W. Yarick for their last party together before they graduate into the junior department of the school. Games and memory drills occupied the greater part of the afternoon.

A color scheme of pink and white was carried out both in the decorations of pink and white asters and streamers and the refreshments of ice-cream and cake. The children present included Roberta Smith, Harriet Stryker, Garnet Peoples, Yolanda Longiero, Robert Bullinger, Vassar Peckham, George Smith, Burdell Yarick, Robert Storms, Edwin Murman and Irving Graham. Mrs. Yarick was assisted by Mrs. Harry Bullinger.

WILL LEAVE FOR EUROPE

Mr. and Mrs. Arthur Braly of Pasadena, who have been spending the summer at Big Bear, were dinner guests last night of Mr. and Mrs. John Hyde Braly of 505 North Brand boulevard. Mrs. Arthur Braly will start Monday on a trip to Europe.

BUILDING PERMITS FOR MONTH PASS \$400,000 MARK

Total for Year Now Stands at \$3,300,659; List of Recent Permits Given

More than \$400,000 in building permits have been issued in Glendale during September up until noon today. That is the figure on file at the office of the superintendent of building. And the total for the year stands at \$3,300,659!

Among important operations noted in the last twenty-four hours is the remodeling of the Glendale Creamery plant and the construction of a five room residence by Harry E. McCartney at 526 North Isabel street. The latter, who is a representative of Edwards & Wilsey here, has been sold out of house and home twice in the last three months.

List of Permits

Building permits issued since noon yesterday are as follows:	
Mae MacMillin, remodeling Glendale Creamery, 755 West Doran	\$ 5,000
Harry E. McCartney, 5 rooms and garage, 526 North Isabel	4,250
Napoleon Le Blanc, 5 rooms and garage, 206 East Apple	2,400

Miss Martha Eilers Hostess to 'Tramps' at Unique Meeting

Miss Martha Eilers of 115 North Adams street was hostess last night to the members of the Glendale I. C. E. at a very clever and unusual entertainment in the form of a "tramp jamboree." The guests arrived at 8 o'clock and, following invitation instructions for "tramp clothes" they came in gunny sacks, overalls, suits of years ago, treasures from the trunk and kitchen aprons.

The evening was spent in outdoor games and frolics under the direction of Miss Helen Engle, chairman of the social committee of that society. Prizes were awarded to Graham Tinning and Miss Margaret Majors for the most appropriate costumes.

At the close of the evening novel refreshments of "tramp eats," which included baked beans, brown bread, chocolate, cake and jelly beans were served on the lawn, illuminated by dozens of Japanese lanterns. The fifty guests departed at 11:30 o'clock all having had a "dandy" time. Mrs. F. H. Eilers and Mrs. J. A. Engle, who assisted in the entertainment, stated that they have never before fed so many "tramps" at one time.

Glen Eyrie Chapter, Order Eastern Star, Entertains Visitors

Following the regular business meeting of Glen Eyrie chapter, Order of the Eastern Star, which was held last night in Masonic Temple under the direction of the worthy matron, Mrs. Orma V. Naudain, officers of the White Shrine of Los Angeles, put on the degree of the "mystic tie." There were seventeen members of their drill team present also, the total attendance being about 200.

Members of the White Shrine presented Mrs. Naudain with a very beautiful bouquet of various flowers in the star point colors of blue, yellow, white, green and red.

Refreshments were served in the banquet room, which had been made gay with bouquets of large dahlias.

MISS HELEH WHITE VISITOR

Miss Helen White, who for a number of years was superintendent of nature study in the Glendale city schools and who is now residing in Los Angeles, is the guest of Dr. Luella Hukill of 102 West California avenue.

GUESTS AT CHICKEN DINNER

Mrs. Ruth Sperry, Mrs. Ruth Todd and Miss Beas Kidson of Los Angeles were the guests of Mr. and Mrs. F. S. Card of 319 Patterson avenue at a chicken dinner last night.

chased a Buick coupe from Tanner
& Hall.

Mrs. E. D. Hemmerling of Wood-
ston, Kan., is visiting at the home
of her mother, Mrs. T. Archer, 533
Elk avenue.

Mr. and Mrs. C. B. Andrews of
232 North Maryland avenue have re-
turned from a three weeks' vacation
to Crater Lake, Ore.

Mrs. Lena Fisher of Dallas, Texas,
who has been spending the summer
with her sister, Mrs. B. V. Brasher
of 1017 Melrose avenue, left last
evening for her home in that city.

G. B. Singleton and daughter, Mil-
dred, of 318 West Wilson avenue,
and Mr. and Mrs. C. P. Peterson of
Hollywood enjoyed a camping trip to
Topanga canyon over last week-end.

Miss Gladys Flag, daughter of
Mr. and Mrs. Charles A. Flag, of
149 South Pacific avenue, has en-
tered upon her second year of work
in the art department at the Univer-
sity of California, southern branch.

Mr. and Mrs. R. E. Smith of 406
East Elk avenue have as their house
guests Mr. and Mrs. J. H. Carter and
Loretta Hoyt, who recently arrived
in Glendale by automobile from De-
troit. Mr. and Mrs. Carter intend
to remain here for the winter.

Albert Jenlein of Everett, Wash.,
arrived in Glendale last week and is
a guest at the home of M. R. Whipple
of 423 East Elk avenue. Mr. Jen-
lein is a commercial photographer

Members of Christian Endeavor
society "B" of the First Presbyterian
church are planning a "house warm-
ing" to take place September 30 in
the Lydia room of the church, for
the intermediates who graduate into
their society Sunday, September 25.

Mr. and Mrs. Howard L. Brown of
406 North Maryland avenue have re-
ceived some interesting letters from
the former's mother, Mrs. J. B.
Brown, who has been visiting her
son at London, Walter L. Brown,
who has charge of the Russian relief
work. The last letter received stated
that she was leaving for Paris and
was in the best of health.

Quarantine restrictions have pre-
vented Mr. and Mrs. W. E. Palmer
from visiting their daughter, Edna,
in the county hospital lately. It is
reported that the little girl is recover-
ing nicely from a broken leg and
broken hip, received on August 29.
Her ward at the hospital has been
under quarantine for the past week.
Another girl, who also had a broken
leg, developed diphtheria.

One of the southern Glendale hills
will be the setting for a Christian
Endeavor meeting early tomorrow
evening. Members of the society at
the Tropic Presbyterian church have
decided to meet at the corner of Los
Feliz Road and Brand boulevard at
5 o'clock and go together to the
scene of the meeting. Frances
Goldsborough will be the leader and
the missions of South America will
be the subject. "Ukes" and banjos
will be taken along for musical pur-
poses.

burned on the right side of his face
by a premature powder explosion. He
was brought to the Glendale Sanitar-
ium Hospital for treatment, but was
able to return to his home in Los An-
geles later.

Mr. and Mrs. John Swisher of 336
North Orange street, accompanied by
Mrs. J. H. Jackson and her father and
mother, Mr. and Mrs. F. M. Shumate
of 332 North Orange, motored to
San Fernando Tuesday and spent the
day at the San Fernando Valley fair.
They brought home glowing accounts
of the exposition, especially of the
beautiful Kentucky horses. Several
of the party were Kentucky people
and felt that they had spent a day
back in the "Blue Grass" state at the
county fair. They especially enjoyed
the opportunity of viewing the spe-
cial revue of the stock in honor of
Governor Stephens.

At Sixty-five

The Cincinnati "Times-Star" re-
cently made an appeal in behalf
of a woman of 65, who, a year
ago, fell and broke her arm and
undertook to do a little laundry
work too soon. The paper says:
"She doesn't seek charity, mark
you; she wants only a bit of light
work in the country, where she
may grow strong enough to work
hard. Her greatest dream is to
get well enough to work in a fac-
tory."

What is your dream of life at
65? Let me show you how to
make certain an income at that
age. There are very few sure
ways. I believe ours is by far the
best.

marigolds, and dahlias were used in
the living room. The afternoon was
spent in social conversation and
music, Mrs. Kolts, Mrs. Parker and
Mrs. Puffer, Jr., rendering several
vocal selections.

Number of Friends Are Well Satisfied With Venison Dinner

Dr. and Mrs. T. C. Young and Mr.
and Mrs. A. L. Baird entertained at
a covered dish dinner party at the
home of the former, 400 North Ken-
wood street, Thursday night. One
of the items served was venison, from
the recent hunting trip of Dr. and
Mrs. Young and Mr. and Mrs. A. L.
Baird. Each guest brought a cov-
ered dish, the contents of which were
unknown to the other guests. To each
dish a number was fastened. Three
men in the party were chosen to se-
lect any number from 1 to 15 and
the three dishes first chosen were
first served, regardless of what they
contained. Another three were then
selected and served, and so on until
everything had been selected.

ings by Mrs. Max Green and informal
dancing, as well as a fancy dance
number, by Miss Taylor.

Vaudeville Program Will Draw Crowds to Glendale Tonight

It is the vaudeville show tonight!
That's where the throngs will be
at 7 and 9 o'clock to see what Man-
ager William A. Howe has to offer
at the Glendale theatre.

The California Trio comes as the
headline number for it is composed
of three beautiful girls who play the
cello, piano and violin. And musical
numbers always please.

Albert & Rozella with their Royal
English Marionettes are another act
that will please, especially the kid-
dies. Three others equally as good
are promised to round out the va-
riety bill.

Edith Roberts will be the film at-
traction in "Thunder Island," her
most recent Universal photodrama,
in which she again has an exotic and
colorful role in another one of Nor-
man Dawn's Universal hot-tamales of
tropical romance.

Miss Gladys Sharpe Boys' Class Hostess

A jolly group of boys, who call
themselves "The Demon's Corner,"
were entertained Friday night by
Miss Gladys Sharpe at her home, 705
South Glendale avenue. Miss Sharpe
was the boys' class teacher when they
were students at the Intermediate
school and the evening was spent
freezing ice-cream and telling tales
of their experiences as freshmen at
high school. Later in the evening
they ate the ice-cream, of which they
felt justly proud. Those present in-
cluded Robert Hatch, Dallas Kal-
baugh, Arthur Barton, Henry Steele,
Clifford Walcott, Charles Manbert,
Kenneth Lee, Alex McDougall.

Locals and Personals

Miss Irene Nelson, one of the
nurses at the Glendale Sanitarium,
has been suffering from an infected
foot.

M. L. Sheffield, of Fresno, is now
resting comfortably at the Glendale
Sanitarium after an operation per-
formed Wednesday afternoon. Mr.
Sheffield is the father of Miss Anna
Sheffield, who is one of the nurses at
the institution.

The Intermediate school inter-class
schedule of soccer and volley-ball,
opens Monday. The girls' first vol-
ley-ball games will be played by
A-8-1 vs. A-8-2 and A-7-1 vs. A-8-2.
The boys' first soccer game will be
played by A-7-3 vs. B-7-3.

Look out, mackerel! Redondo
Beach will be the scene of a fishing
raid tomorrow by Ralph L. Hassel,
proprietor of the Glendale Typewri-
ter Exchange, 107 West Broadway.
He has promised to bring back at
least one fish—even if he has to buy
it.

A group of friends of Mrs. Harry
Franklin of 316 West Milford street
decided to surprise her last night in
celebration of her birthday anniver-
sary. During the evening auction
bridge was enjoyed, after which re-
freshments were served. Mrs.
Franklin was presented with a large
bouquet of carnations. Those pre-
sent included Mr. and Mrs. A. Van
Dyke, Mr. and Mrs. C. M. Van
Dyke, Mr. and Mrs. L. P. Abell, Mrs.
Ethel Oliver, Miss Margaret Cross
and Mr. and Mrs. Harry Franklin.

Sixth: That a vitrified pipe sanitary sewer be constructed in the first alley east of Brand Boulevard and in the centerline of Wilson Avenue from a point in the north line of Harvard Street one hundred twenty-three (123) feet west of the west line of Maryland Avenue to a point ten (10) feet south of the north line of Colorado Street together with all manholes, flush tanks, septic tanks, cesspools and appurtenances all as shown on plans and profiles of said sewer designated as Plan No. 422.

Seventh: That a vitrified pipe sanitary sewer be constructed in the first alley west of Brand Boulevard from a point ten (10) feet south of the north line of Colorado Street to a point one thousand eight hundred and ninety (1890) feet north of the north line of Colorado Street and across all intersections of streets and alleys or portions thereof along the line of said sewer together with manholes, flush tank, lampole, septic tanks, cesspools and appurtenances all as shown on plans and profiles of said sewer designated as Plan No. 422.

Eighth: That a vitrified pipe sanitary sewer be constructed in sewer right of way east of Brand Boulevard along a line parallel to the west line of Maryland Avenue from a point in the north line of Harvard Street one hundred twenty-three (123) feet west of the west line of Maryland Avenue to a point two hundred forty (240) feet northerly therefrom together with all manholes, flush tanks, and appurtenances, all as shown on plans and profiles of said sewer designated as Plan No. 422.

Ninth: That a vitrified pipe sanitary sewer be constructed along the center line of Harvard Street from its intersection with the center line of Maryland Avenue produced southerly to a point one hundred forty-four and eighty-three hundredths (144.83) feet westerly therefrom together with manholes, septic tank, cesspools and appurtenances, all as shown on plans and profile of said sewer, designated as Plan No. 422.

Tenth: That a vitrified pipe sanitary sewer be constructed along the centerline of Broadway from a point in the centerline produced northerly of that portion of the first alley west of Brand Boulevard which lies south of Broadway to a point one hundred thirty-five (135) feet westerly therefrom together with manhole, lamp-hole and appurtenances all as shown on plans and profiles of said sewer designated as Plan No. 422.

Eleventh: That a vitrified pipe sanitary sewer be constructed along the centerline of Harvard Street from a point nine (9.00) feet east of the west line of the first alley west of Brand Boulevard to a point one hundred thirty-five (135) feet westerly therefrom together with manhole, lampole and appurtenances all as shown on plans and profiles of said sewer designated as Plan No. 422.

All the sanitary sewers, manholes, flush tanks, lampholes, septic tanks, cesspools, and appurtenances mentioned in this section shall be constructed in accordance with said plans and profile No. 422 and between the points on the lines and grades, and at the elevation designated thereon, and said manholes, flush tanks, lampholes, septic tanks, cesspools and appurtenances shall be constructed in accordance with plans thereof designated and numbered as follows:

Manholes, flush tanks, cast iron frames and covers in accordance with Plans No. 394.

Lampholes, Septic tanks, Cesspools and appurtenances in accordance with Plan No. 422.

All said work shall be done in further accordance with Specifications therefor furnished by the City Engineer of said City and adopted by the City Council entitled "Specifications for Sanitary Sewers in the City of Glendale."

SECTION 2. The plans and profiles referred to in this Resolution are on file in the office of the City Engineer of said City. The specifications referred to in this Resolution are on file in the office of the City Clerk of said City. Said plans, profiles and specifications are hereby referred to for a more particular description of said work and are made a part hereof.

SECTION 3. That the said contemplated work or improvement is in the opinion of the City Council is of more than local or ordinary public benefit and said Council hereby declares that the district in said City to be benefited by said work or im-

provement and to be assessed to pay the costs and expenses thereof is described as follows:

All that portion of the City of Glendale included within the following described boundary lines, to-wit:

Beginning at the northeasterly corner of Wilson Avenue and Orange Street; thence easterly along the northerly line of Wilson Avenue to the northwesterly corner of Wilson Avenue and Maryland Avenue; thence southeasterly across Wilson Avenue to the southeasterly corner of Wilson Avenue and Maryland Avenue; thence southerly along the easterly line of Maryland Avenue and its southerly prolongation to the southerly line of Harvard Street; thence westerly along the southerly line of Harvard Street to the southeasterly corner of Harvard Street and the first alley east of Brand Boulevard; thence southerly along the easterly line of said alley and its southerly prolongation to the southerly line of Colorado Street; thence westerly along the southerly line of Colorado Street to its intersection with the southerly prolongation of the easterly line of Orange Street; thence northerly along said southerly prolongation and along the easterly line of said Orange Street to the point of beginning. Excepting therefrom any portion of any public street or alley which may be included therein.

Reference is hereby made to Map No. 422 A, approved by the Council on which the assessment district referred to is shown within red colored border lines.

SECTION 4. That pursuant to the Act of the Legislature of the State of California approved February 27, 1893, and the Acts amendatory thereto.

Serial bonds bearing interest at the rate of seven (7%) per cent per annum shall be issued to represent assessments of Twenty-five (\$25.00) Dollars or over for the costs of said work or improvement; said serial bonds shall extend over a period ending nine (9) years from and after the second day of January next succeeding the date of said bonds, and an even annual proportion of the principal sum thereof shall be payable by coupon on the second day of January, every year after their date until the whole is paid; and the interest shall be payable semi-annually by coupon on the second day of January, and July, respectively, of each year at the rate of seven per cent per annum on all sums unpaid until the whole of said principal and interest is paid.

SECTION 5. The City Engineer is directed to make a diagram of the property affected or benefited by

J. G. HUNTLEY AND PARTY TAKE TRIP TO CLUB SITE

Buick Car Carries Group to Shores of Lake In Hills Back of Fillmore

J. G. Huntley of this city and a party from Los Angeles left yesterday afternoon in the former's Buick from Tanner & Hall's salesroom at 237 South Brand boulevard for an inspection trip at the site of the Sespe Country club, which will be located on a lake in the mountains back of Fillmore. The lake will be formed by impounded waters for the Sespe Light and Power corporation's power plants. Several local sportsmen have joined in this enterprise as this club will provide them an ideal hunting and fishing preserve.

Mr. Huntley will report back at a meeting of the clubmen in the Union League club next Tuesday night regarding the possibilities of the preserve. It will be necessary for his party to pack back into the hills on horses today for the proposed road to the dam sites has not been built yet by the power contractors. They will be among the first to enjoy fishing and hunting this year along the almost inaccessible Sespe.

Dr. Luella Hukill, Here From Indiana, Has Opened Office

Dr. Luella Hukill, recently of Elkhart, Indiana, has opened her professional office at 102 West California avenue in the Kranz building. Dr. Hukill made herself famous by forcing the medical university of Illinois to open its doors to women, and originated the first and only medical "fraternity" for women, one chapter of which is located at the University of Southern California. She served as an interne in the Mary Thompson hospital for women and children in Chicago and was a member of the Rush medical faculty for five years as an instructor of gynecology and obstetrics.

In her further progressive interest for the emancipation of women Dr. Hukill created much editorial comment throughout the country by refusing to pay taxes on the grounds that "taxation without representation is tyranny."

Dr. Hukill is also a graduate of the National School of Chiropractics in Chicago, where she was also very active in club and social welfare work.

Local Creamery Wins First Prize at Fair In Raw Milk Tests

Two important prizes for purity and quality of product have been awarded to the Glendale Creamery company, 755 West Doran street, by the judges at the San Fernando fair.

The local firm received first prize for its guaranteed raw milk, scoring 97.6 points and second place for its grade A pasteurized milk getting 97.4 points.

There were thirty-three entries and those furnished by the Glendale Creamery, according to Manager Smith McMullin, were taken from the ordinary products of the company. Naturally, he is pardonably proud of the award.

HUPMOBILE DISPLAY AT VALLEY FAIR APPRECIATED

Bartlett & French Exhibition at San Fernando Attracts Hundreds of Visitors

Handsome is the word to describe Bartlett & French's display of Hupmobiles at the San Fernando Valley fair and market at San Fernando this week. It is located in the mechanical department of the fair and Glendale people who visit the exposition over the week-end should make it a point to see the cars.

Two men are kept at the fair by Bartlett & French to explain the good points about the Hupmobile, and they are many. The local representatives are anxious to have every owner of a Hupmobile in the valley to come to Glendale and get acquainted with the service station.

Although this line was only recently taken over by the live wire firm, they report several sales, and business prospects are fine. In other columns they are calling attention to pertinent facts which should interest motorists seeking a car of Hupmobile's class.

Harvey M. Gill Is Now Agent Here for Well Known Systems

Agency for the Delco and Remy starting and lighting equipment has been acquired this week by Harvey M. Gill, proprietor of the Westinghouse Battery Service, 207 South Brand boulevard. For the past two days he has been busy sorting and putting away stock and parts received in connection with his new lines from the United Motor Service corporation.

NOTABLE CHANGE IN AUTOMOTIVE LINE IN CALIFORNIA

Business of Keeping Cars in
Trim No Longer 'Game' as
In Years Gone Past

The National Automobile Chamber of Commerce, which is composed of practically all the motor car and truck builders in the United States, estimates that eighty per cent of the automobiles in use in the country are used either in whole or partly for business purposes.

The business of keeping this huge number of motor cars and trucks in condition to run properly has grown to huge proportions. In California alone it amounts to millions of dollars a year, according to R. L. Galvin of the Buick agency here.

In former years, that is before the automotive industry reached its present plane, the repair business and sale of motor necessities was operated in a haphazard method.

Change in Methods

Since that time, about ten years ago, here in California there has been a notable change in automotive methods, due in great part to the educational work done by the California Automotive Trade association, which comprises 3500 repair men, garage men, accessory and motor car dealers.

Robert W. Martland, one of the organizers of the association and now manager, is directing the progressive work of the outfit and a gradual clean-up of business places is going forward.

The slogan of the association, "Clean and attractive places of business," is beginning to mean more and more as the work goes on.

Why Better Service

The automotive industry is no longer a "game," as everyone called it a few years ago. It ranks second in the manufacturing industries of the world. Sorry to relate the garage and repair business has been a game all too long. Now all that is changing. Garage men are putting in cost systems so they know whether they are making money or not, and they are conducting their business along business lines.

That is the reason that service stations are rendering better service to you motorists.

Studebaker Is Making Pace in Auto Sales, Says Don S. Packer

"The Studebaker corporation was the only company, outside of the Ford, which sold more cars during the first half of this year than during the same period last year," narrated Don S. Packer, of the Packer Auto company, 245 South Brand boulevard, yesterday.

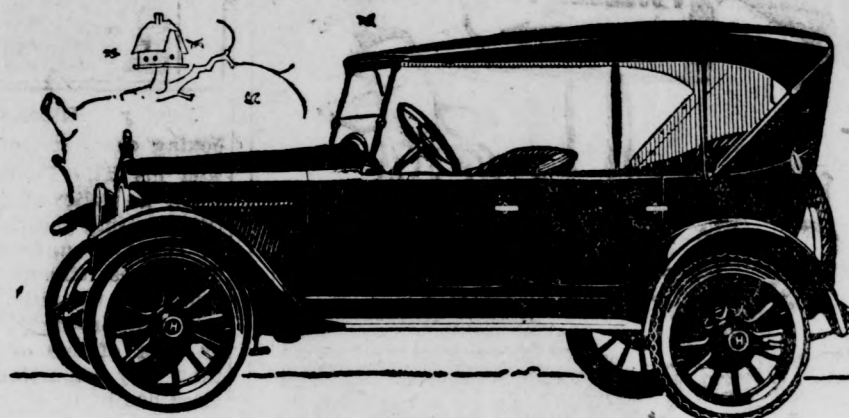

"Exclusive of Fords, 299,000 autos were sold in the first three months of 1920 and 85,000 in the same period of 1921. During the second quarter 311,000 machines were distributed in 1920 and 177,000 in 1921. This means that only 28 per cent as many cars were sold the first quarter."

"However, more than 25,000 Studebakers were sold during the first half of 1920 and nearly 34,000 in the first six months of this year."

"We are quite pleased with the Valley fair, made several sales there and got in touch with several live prospects."

—What is it we all want in our motor cars, and try to get when we buy?

—First of all is reliability. (In the Hupmobile you are downright sure of reliability that is almost amazing. It keeps on going without frequent tuning and tinkering.)

—Next, undoubtedly, a low running cost and upkeep cost. (The Hupmobile reputation for economy of tires and gasoline and oil is known everywhere. Its record stands alone when it comes to low repair costs.)

—Then, long life and a high re-sale price. (It is next to impossible to "kill" the Hupmobile, and any dealer will tell you how high it stands in the used-car market.)

—In the Hupmobile you get exactly what you most want in your car; and at a price—\$1485—that is attractively low.

Ball Players of 1882 Meet for Fanning Bee

It is a far call to Northfield, Minn. And baseball in 1882 isn't what the national pastime is today.

You tell 'em, but let C. J. (Home Run) Henderson of South Pasadena tell it. The writer heard that venerable visitor in Glendale comparing notes with W. H. Armstrong of 104 North Central avenue yesterday. Both were out on the Burbank-Glendale Realty syndicate's Mountain View tract along the San Fernando road where Mr. Armstrong is selling lots of lots for Mr. Henderson and other associates.

Mr. Henderson hasn't had any knuckles since the days when he used to catch on the Northfield nine without padded mitt such as is used today. They were the days of real sport!

SPORTS CHATTER

PACIFIC SPORTS SERVICE

Johnny Kilbane, featherweight boxing champion of the world, first won his title February 22, 1912, when he relieved Abe Attell of the title, getting the decision at the end of twenty rounds at Vernon, Calif. This gives Kilbane nearly ten years' tenure of the title, the longest time any featherweight has ever reigned as king of the division and longer than any champion in any weight class has hung on to this crown.

Kilbane's fight with Danny Frush last week showed that though more than thirty-two years of age the champion is still a champion, this despite the fact that many eastern experts have been predicting the downfall of Kilbane for the last three years. To date he has "shown up" these predictors but there seems little doubt that it will not be long before Kilbane actually does meet his match.

George Dixon held the feather title for six years winning it first from Nunc Wallace in 1891 in London and retaining it without a break until 1897. He lost it that year to Solly Smith at San Francisco. The next year Dave Sullivan took the title from Smith when the latter broke his arm and the same year Dixon regained the title by winning in the tenth on a foul by Sullivan, but he only held it then for three months when "Terrible Terry" McGovern won it.

Kilbane's reign as champion has not been one of milk and honey. The year after he won from Attell he had one of the hardest fights of his career at Los Angeles when Johnny Dundee stayed twenty rounds with the champion. Since that time Kilbane has fought innumerable men and with the rights that have come from time to time been assumed by champions he raised the weight limit. In the latter 80's and at the time Dixon won the weight limit in the class was

115 pounds. Since that date it has been raised by degrees to 122 pounds and today the limit is recognized by boxing commissions as at 126 pounds.

In the fight with Frush last week Kilbane is said to have gone in the ring at 128 pounds while Frush was forced to make 126 pounds. It looks as though Kilbane cannot make the feather limit of 126 pounds and if this is the case it is about time he voluntarily gave up the title and retired as the undefeated champion. Kilbane is going on thirty-three years of age and he has now reached an age where it is particularly hard to "make weight" even if he is a few pounds over the limit.

At the time Kilbane beat Attell the weight limit was 122 pounds and that was the weight both men entered the ring at. In later years he raised the weight to 126 pounds and he was ambitious to grab off the lightweight title. He made probably the biggest mistake of his ring career when he went into the ring with Benny Leonard in 1917. Leonard was a "new champion" then and one of the cleverest boxers of his weight. He made a regular punching bag of Kilbane and the latter was knocked out in the third round.

At that the featherweight champion has had a remarkable ring career. He always had an aversion to knocking men out and most of his fights have been via the decision route. He has at all times preferred to outbox his opponents and take the decision. He has been severely criticized from every angle by boxing writers all over the country, but he always bobs up, just as he did with Frush, and wins and puts at naught all the criticisms that have been hurled at his crowned head. However, this cannot go on forever and Johnny will meet his match before long or have to retire owing to difficulty in making weight.

The WORLD OVER

By FRANKLIN B. MORSE
PACIFIC SPORTS SERVICE

That the present system of drawing does not always bring the two best players together for the finals again was exemplified in the recent national singles tennis tournament when Johnson of Philadelphia, was the runner-up, while Bill Johnston of California, who can defeat the Philadelphian any day in the week, was eliminated in an earlier round.

Mrs. Luther Kennett has won the Coronado open championship at golf seven times since 1909, thus capturing for permanent ownership two of the coveted trophies in the period ending in 1920, since which time she has not frequented the course of the Coronado country club regularly until within the last few weeks. This year's title was won by Miss Doreen Kavanaugh of the same club. Both these players are among the most brilliant of the players among the fair sex of California. They expect to play over the course during the winter season so that visiting stars may be assured of keen competition.

Every once in a while in the realm of sport there comes an interval when the prognosticator hies himself into the tall timbers and keeps mum because he is at a total loss as to what manner of prophecy to make. We have yet to note the prophet who has predicted the boxer to take the heavyweight crown from the brow of Jack Dempsey. There has not been a peep as to who will humble lightweight Benny Leonard. Nor, at the moment, has anyone definitely ventured to pick the winner of the Pacific Coast league baseball pennant.

Since the East versus West football game has become an annual event, the playing records of eastern teams have taken on a decided interest to western football followers who are keen to size up the possibilities and probabilities of the opponent which the ultimate western champion must meet. It looks, at the moment, as though the University of California again would retain its supremacy on this rim of the United States, while Princeton university, barring the unexpected, is looked on again as the eastern champion at the close of the season. Until Princeton is put out of the running, or some other eastern college looms up, the west will closely follow its progress. Whether the acknowledged eastern champion can be induced to again make the trip over here remains to be seen. At all events the western teams would not be averse to a trip east. As a matter of fact, thus far eastern football teams all have come over here and there are many who believe, in the interest of fair play that the west is due to send its team east.

The Carpentier-Gibbons battle for the light heavyweight championship of the world, now held by the former, seems to be the only boxing event of any magnitude which has taken definite form. When Carpentier returned to France prior to his match with Dempsey there were many croakers who said that the Frenchman had "run out," and there are a number of these same croakers who continue their croaking in the same vein. Just why a professional boxer should run away from the opportunity of cleaning up a tidy little fortune is not explained.

New shop equipment is being received by Jack St. Clair, proprietor of Jack's Auto Repair Shop, 233 South Brand boulevard. He has received a new portable drill already and expects a big power press soon. The drill can be moved to any part of the garage floor which will expedite hurryup jobs. The press will be able to exert a pressure of from two to four tons and will be used in putting gears off and on.

Watching Scoreboard

By HENRY L. FARRELL
United Press Staff Correspondent
NEW YORK, Sept. 24.—Tris Speaker has a bunch of fighters, could be counted out of the American league pennant race right now.

Having dropped the first game of the "crookal series" with the New Yorkers and with Stanley Coveleski, the first man of the pitching staff defeated, the Indians ought to be in a sad plight.

After he had lost the first two games in the world's series last fall in Brooklyn, Speaker said:

"What is a little thing like two games? Just wait."

The gray-haired leader of the world's champions fell back on the same doctrine today with a short "just wait!" There are three more games.

ARRANGE SCHEDULE
FOR FOOTBALL AT
HIGH SCHOOLS

Glendale's First League Game
to Be With Alhambra, on
Friday, October 7

The football schedule for the high
schools in the Central League of
southern California, of which Glen-
dale is an important member, was
fixed at South Pasadena High School
with Coach Normal C. Hayhurst and
Principal George U. Moyses, of the
local high school, in attendance.

As it was the first meeting of the
semester, officers were elected.
Charles B. Moore, of Franklin High
School, was re-elected president;
George U. Moyses was elected vice-
president with the possible view of
his election to the presidency next
year, and Normal C. Hayhurst was
re-elected secretary and treasurer.

"There was a full discussion of a
good many of the points concerning
the games," stated Mr. Moyses, fol-
lowing the meeting. "The matter of
officials and the difficulty of getting
satisfactory officials was discussed
and it was agreed as far as this
league was concerned that it would
place more emphasis upon the im-
portance of having a good head
linesman.

Change in Methods
"It was agreed that instead of hav-
ing two outside officials, a referee
and umpire, and selecting a local
head linesman, that it should ask
that the referee and head linesman
come from outside and that the head
linesman should do as much of the
umpire's work as he could while act-
ing as head linesman.

"In explanation members told of
time after time where the umpire had
come in and did nothing except stand
in the middle of the field during the
game and then sign his name to the
official score and collect his fee
while the head linesman might not
be quite on to his job and set the
ball a few feet one way or another
from where it belonged. The mem-
bers thought it would be more im-
portant to have a good head lines-
man, who would give good work,
than it would be to have the two of-
ficials out in the field.

Selection of Officials
"The selection of officials for each
game is to be made by Harry J.
Moore, of Long Beach, who is the
football manager for southern Cali-
fornia high schools. He acted in
this same capacity last term. The
names of the two officials selected by
him are to be announced the day be-
fore the game.

"According to the California Inter-
scholastic Federation rules it
would be permissible to enter three
teams: Two light-weight teams, one
of 110 pounds and another of 130
pounds, and one unlimited team. All
of the schools in our league our go-
pounds, and one unlimited team and
there probably will be a 130-pound
team from most of the schools, al-
though Monrovia did not think it
could put in a light-weight team.
Hundred and ten-pound teams were
not considered as this weight is es-
pecially for intermediate schools.

"The schedule for the second team
follows that of the regular team ex-
cept that the games will be called
at 4 o'clock on Tuesday afternoon in-
stead of at 3:30 Friday. The con-
tests will be played in reverse order.
That is, if Monrovia comes here for
the Friday game, Glendale will go to
Monrovia for the Tuesday game.

"The raising of the dues for the
league also was discussed. They
amount to \$12 for each school, are
paid by the student body of each
school and are used for the purchase
of the championship banner.

Makes Rules for Schools
"The California Interscholastic
Federation is the state governing
body in athletics and makes the rules
for the schools. It is the court of
appeals and the governing body for
the big things in athletics.

"New rules and regulations for the
governing of interscholastic activi-
ties have been put out by the C. I. F.
There are a number of changes
brought out all looking to making
rules so plain that misunderstand-
ings cannot arise and also clarifying
a number of places where conten-
tions have come up previously."

Coach Normal C. Hayhurst stated
that the new eligibility rules were
"pretty stiff." They provide that
players must be under twenty-one
years of age, must not have been in
school more than eight semesters,
and must have been in school the
previous semester and have passed
in at least three units of work.

"We've got to get all the players'
records from the time they were born

An Open Letter

420 S. Spring St.
Los Angeles, Calif.
Sept. 24, 1921.

The Glendale State Bank,
Glendale, Calif.
Gentlemen:

We would feel that we were remiss did we not take this opportunity
of extending to you our heartiest congratulations upon your opening of
the fine financial institution you have brought to Glendale.

The addition of your bank to the business activities of Glendale we
know will serve as a stimulus to business prosperity and the fact that you
feel this to be an opportune time and place for the launching of such an
important enterprise unequivocally places Glendale as a big white spot,
upon the business map of the Nation.

To you, then, we extend every good wish for your success and a cor-
dial welcome to our Glendale.

We say OUR Glendale advisedly, for although we furnished all the
office furniture for your bank from our store in Los Angeles, still we are
often pleased to think of our Company as a Glendale concern for fully 75
per cent of our organization—from the Managing Director, T. F. Peirce,
down to our very bright and promising errand boy—live in Glendale.

This we feel gives us the right to claim Glendale as our home. And
so we say to you

"Welcome to OUR City"

Very sincerely yours,

In Spanish Pantomime

Carmen de Lara, charming little
daughter of Mrs. S. L. DeLara of 531
East Lomita avenue and who is a
very accomplished dancer, has se-
cured a two weeks' engagement to
dance at the Community theatre of
Hollywood in Gustavo Morale's bril-
liant Spanish pantomime, "The
Royal Fandango," which is soon to
be produced there. This little miss
has appeared as solo dancer in a
number of affairs given in Glendale
and elsewhere, and has been most
cordially received wherever she has
appeared.

H. M. Parker, Auto
Electric Service, Is
Pleased by Outlook

Increased business is inspiring the
Auto Electric Service company, 113
West Harvard street, to make some
improvements. H. M. Parker, one
of the proprietors, stated yesterday
that the alterations would be com-
pleted next week. He states he is
well pleased with the outlook in
Glendale in a business way.

During the last ten years the num-
ber of women wage earners in the

MORE EGGS

PCA DRY MASH should be kept before the hens at all times. Numerous letters show that poultrymen can increase their egg yield 10 per cent by feeding one-half ounce dampened PCA mash per hen each day. Many feeders of PCA made more money with their hens during the months of July and August than any month last spring.

LESS FEED

Users of PCA advise that after making accurate tests they find PCA Dry Mash will produce more eggs on less feed. One customer saved over 800 lbs. mash in less than three months, feeding 300 hens on PCA Products.

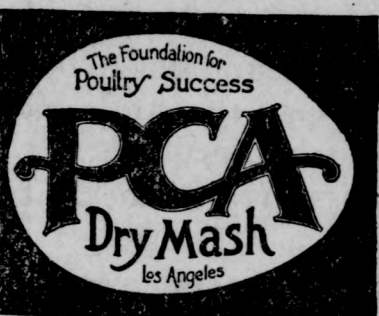

Every dealer is authorized to refund your money if PCA feeds do not please you. Send today for name of your nearest dealer and our poultry literature.

LOCAL MEN ENTER AUTO CONTEST AT HANFORD FAIR

Eddie Winfield and Sam Dur-
and Will Direct Ford In
Fifty-Mile Race

Eddie Winfield and Sam Durand, local speed annihilators, left Glendale yesterday morning for Hanford, where they are entered in the fifty-mile dirt track race to be held this afternoon in connection with the Kings County fair.

The two local drivers, who gained state-wide fame on account of their remarkable showing at the Hanford races on the Fourth of July, have been striving to perfect their "wizard" Ford every day for the past three weeks, and when they left Friday they both expressed confidence on the outcome of today's classic.

The race, which is being staged under the sanction of the contest board of the American Automobile association, is expected to attract several thousand racing fans from all parts of central California. An exceptionally large purse for a similar event has been offered, which has attracted the attention of a number of Pacific coast professional drivers.

Mrs. W. E. Lee Gives Elaborate Dinner In Honor of Her Husband

Mrs. W. E. Lee of 213 North Isabel street entertained with an elaborate 6 o'clock dinner last night in celebration of the birthday anniversary of her husband. A large birthday cake and a beautiful bouquet of asters were some of the decorations on the dining table which attracted considerable interest. Guests present also included C. D. Miltenberger of Glendale.

Noble M. Armstrong Is Here on Furlough

Noble M. Armstrong, electrician, second class, who is stationed at the United States naval training school on Mare Island in San Francisco bay, is here on furlough this week visiting at the home of his parents, Mr. and Mrs. W. H. Armstrong of 104 North Central avenue.

C. E. OFFICIALS DENY STORY

As the result of an article appearing in a Los Angeles paper regarding arrests in which Glendale men were implicated, J. A. Newton, vice president of the Christian Endeavor convention committee, has received protests from the county president of the association who asserts that the statement made in that paper that the alleged booze ring round-up "is a sequel to the arrest made recently of four young men, delegates to the Christian Endeavor convention," is entirely without grounds.

Mr. Newton states that after an investigation made by himself with the assistance of J. P. Lampert, chief of police, and also Police Judge F. H. Lowe, he finds that neither were there any arrests of delegates made in Glendale during the Christian Endeavor convention nor were the young men recently arrested prior to the round-up by the federal authorities delegates to the state Christian Endeavor convention here last June.

The Glendale Laundry Offers Glendale Women 10 Hours Spare Time Weekly.

Investigation in a large number of families has brought out the fact that the average family washing handled at home takes about a day and a half—this includes both washing and ironing.

If you could gain relief from all this at a moderate cost, and have more time for pleasanter duties, wouldn't it interest you? Our laundry service offers you that opportunity.
